

ITM400 Hamilton 20-22 April 2012

The ITM400 is a joint round with both NMC and CMC invited by AVESCO. Andrew Turner is the contact person for V8 Supercars. This will be a championship points round for both CMC and NMC. There will be a maximum grid of 36 cars, limited by pit lane space. So far we have 40+ drivers who have expressed interest in attending therefore preference will be given to those that have completed 2 or more meetings this season, also a first in first served basis may be used. We will have 2 race coordinators, one from each club to look after grids etc

Entry Fee

The entry fee is \$500 + GST which must to be paid with your entry. If you accept the "Special offer" and purchase 2 corporate hospitality tickets you will get the \$500 discount off these tickets i.e. Free race entry. With your entry you will receive 6x GA tickets and wristbands to cover driver and crew admission. A late entry fee may be charged if space is available.

The marquees will be an additional cost of around \$250, we hope to get some sponsorship to help with this cost. We will be parked on the asphalt not in the mud like last year's competitors.

Corporate Hospitality

The corporate hospitality suite is in the Motorsport lounge on the outside of Turn 1 with great views of the track, outdoor balcony, view of Mega screen, LCD TV's inside, morning tea, afternoon tea and buffet lunch.

We have been offered tickets at a super price of \$1000 + GST each. If you purchase 2 you may deduct the \$500 + GST entry fee. i.e. Only pay an extra \$1500 + GST for 2x corporate hospitality tickets. We already have over 50 seats booked for muscle car members and Nautech Electronics will be providing a \$1000 bar tap for muscle car members in the corporate hospitality suite.

We need numbers asap to reserve your seats, we also require a 25% deposit i.e. \$250 + GST each before the end of January.

These tickets give you full access to the track and the concert – INXS is the head band.

Proposed Schedule

Thu 19 April	Setup
